EMS breed Codes

In all paperwork produced for shows, cats' breeds are now described by EMS codes rather than old GCCF breed numbers. This does not mean that you need to enter the EMS code on your entry form. It is as ever recommended that you take the registration details from your registration or transfer certificate – if that includes an EMS code, then you should certainly use it. Alternatively, if you can use the GCCF online services to look up the details for your cat, then you can use the EMS code you will find there. But failing either of these, please use the GCCF breed number as on your registration or transfer certificate - do not try to translate it into an EMS code.

Whatever you use it may be translated to an EMS code in any acknowledgement of your entry which is sent (and will be translated in the catalogue, judges' books and the like).

Online Show entry is available for both shows.

You may enter either or both shows online. Payment may be made either by sending a cheque to the show manager, or by direct BACS transfer to the appropriate club account. Details will be given to you in the course of the online entry. **Please note that the OCA has a new Show Account – do not use details saved from 2017.**

You will be able to find the address to use for online show entry from both the SCA and OCA show web pages in their own sites, and also on the GCCF web site.

(you will also be able to download the schedule and both entry forms from all three places)

Rule Changes

You must now clip your cat's claws, and will be rejected at vetting-in if this has not been done (though you will be given the opportunity clip them and present the cat again).

A certificate will be awarded to the winner of overall Best in Show (both pedigree and Household Pet) provided this is not a kitten. The certificate will be at the level the cat qualifies for earlier in the show – so for example for a cat awarded its third qualifying ordinary certificate, the award will be a Grand. The certificate will not be available on the day, but will be sent from the GCCF office once show checking has been performed.

The catalogue will no longer contain details of exhibitors' addresses, but they must still be provided on the entry form.

Variants

Balinese, Oriental Longhair and Bicolour Variants and Pointed Oriental Longhairs are shown in the class for the breed they resemble, and against the standard of points for that breed. If recently registered, their registration certificate should contain a second breed code (in parentheses) and this defines the appropriate breed class for the cat. Alternatively, using GCCF online services the breed as which a cat is to be shown is also given among its details. This and not its main breed number should be the one quoted as the cat's breed number for its show entry.

CLASS STRUCTURE

The same class structure applies to Pedigree and Household Pet entries

You may enter your cat in only one of Breed/Colour, Grand and Imperial Classes, and the class entered must be the one competing for a certificate towards the lowest title it does not hold. Thus

Untitled cats may be entered in the appropriate Breed/Colour Class

Champions/Premiers/Mastercats may be entered only in the appropriate Grand Class

Grand titled cats may be entered only in the appropriate Imperial Class

Imperial or Olympian titled cats may be entered only in the appropriate Olympian Class.

If you do not wish to enter any of the above classes, you do not need to do so. You may enter for Best of Breed only: any cat not entered in the appropriate Breed/Colour class will automatically be considered for Best of Breed (judged by the judge of the Breed/Colour class) unless you explicitly withdraw it from such consideration.

If a cat you have entered wins a higher title after you make your entry but before the published closing date of the show, then you MUST inform the show manager, so that it may be moved up a class.

These Shows are held under the rules of the Governing Council of the Cat Fancy and are open to all. Ignorance of any rule will not be accepted as an excuse for its breach. Copies of the Rules are available from the GCCF Office, 5 King's Castle Business Park, The Drove, Bridgwater, Somerset TA6 4AG or by download from the GCCF website. Please make sure that you read and understand these Rules and this Schedule before entering the show.

ELIGIBILITY

Siamese, Balinese, Oriental Shorthair and Oriental Longhair adults, kittens and neuters are eligible for competition at these Shows if registered with the GCCF. Exhibits with one or more unregistered parents, grandparents or great-grandparents are not eligible for pedigree Open classes except where Section 4 Rule 1d of the GCCF Rules applies.

Cats registered on the Reference Register are not eligible for competition (except for Variants) but may be placed on Exhibition.

All registrations and/or transfers must have reached the GCCF Office AT LEAST TEN DAYS BEFORE THE SHOW or the exhibit will be DISQUALIFIED. If you have entered the exhibit in your name and it is transferred away from you before this date it will also be DISQUALIFIED because the entry form becomes invalid. If you have not yet received the registration number when you enter, write NAF (name applied for) instead, fill in the name you have applied for, and send the number and any change of name to the Show Manager when they arrive.

Unregistered cats from unregistered or unknown parents, of traditional "moggie" appearance, may enter Non-Pedigree classes in the Household Pet Section. Cats of known full or half pedigree background, registered or unregistered, or cats of pedigree appearance but of unknown background may enter Pedigree classes in the Household Pet Section.

SHOW ENTRY FORM

In order to exhibit at either Show you must complete the appropriate entry form and read and sign the Declaration. The information on the entry form must be the same as that on the transfer/registration certificate. You are responsible for the correct description of your exhibits, and for entering them in the correct classes. If you make any mistakes your exhibit may be DISQUALIFIED. If the cat is registered in single ownership only that person must sign the form. If the cat is in joint ownership either or both owners may sign the form. If you are entering a cat in single ownership and one in joint ownership then please complete two separate forms.

ANY EXHIBITOR NEEDING ASSISTANCE WITH THEIR ENTRY SHOULD NOT HESITATE TO CONTACT THE APPROPRIATE SHOW MANAGER.

No cat or kitten in the same ownership or from the same household or cattery may be exhibited at any show or public exhibition within thirteen days prior to or following the date of this show.

WITHDRAWALS

All withdrawals must be made in writing. No withdrawals can be accepted after the published closing date for entries or any extended closing date published on the GCCF website. If you know that your exhibit will be absent and inform us in writing prior to the Show we may be able to avoid an empty pen on the day. Part of the entry fee may be returned, at the discretion of the Show Manager.

GENERAL INFORMATION

ALL CORRESPONDENCE must be accompanied by a SAE if a reply is required. For confirmation of acceptance of entry please enclose a stamped addressed postcard with your entry form. **ALL ALTERATIONS AND/OR ADDITIONS TO ENTRY FORMS MUST BE MADE IN WRITING** and will not be accepted by telephone.

OWNERS' LIABILITY FOR VETERINARY TREATMENT AT SHOWS

Exhibitors (owners) are responsible for the cost of any veterinary treatment required by their cat(s) in their absence from the show hall.

STATUS OF ERRORS - WHAT TO EXPECT

MINOR ERRORS. These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the Show. Continuous repetition of the same error after notification will be referred to the Executive Committee. Examples of minor errors include:

- (a) Spelling errors.
- (b) Separation of cat's name that should be one word and vice versa.
- (c) Administrative/breeder's prefix omitted from, or partially incorrect name given for, exhibit.
- (d) Overseas title preceding the name of an exhibit, sire or dam, etc.
- (e) Full breed number known but not given.
- (f) Sire and Dam reversed or named incorrectly.
- (g) Breeder joint when single and vice versa.

INCORRECT DATE OF BIRTH. This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes, but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the Show.

N.B. AGE LIMITS:

Kittens	not less than 14 weeks and under 9 calendar months on date of Show,
Adults	not less than 9 calendar months on date of Show

INCORRECT NAME OF EXHIBIT/OWNER/BREEDER

If registration/transfer details were obviously available at the time of entry or before the date of the Show, disqualification is inevitable. The following discrepancies are those which usually arise :-

EXHIBIT	Totally incorrect name
REGISTERED OWNER (EXHIBITOR)	Joint when they should be single, and vice versa
BREEDER	Declaration not signed by registered owner(s)
	Totally incorrect name or names

N.B. The breeder of a cat is **always** the registered owner of the dam on the date of the cat's birth.

REGISTRATION/TRANSFER NOT RECEIVED BY GCCF 10 DAYS BEFORE THE DATE OF THE SHOW.

These entries will be disqualified. Remember, the effective date of all registrations and transfers is **the first date of valid receipt by the GCCF**, and if you enclose your own stamped addressed acknowledgement card with your application form this will be stamped with the GCCF Office date of receipt.

TRANSFER OF EXHIBIT FROM EXHIBITOR TO A NEW OWNER RECEIVED BY GCCF MORE THAN 10 DAYS BEFORE THE DATE OF THE SHOW.

Entries such as these will also be disqualified as the Exhibitor's entry form becomes invalid.

INCORRECT CLASS ENTRY. These will be disqualified from the class concerned - so always check with the Show Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in Grand classes must have gained their title before the published closing date if the show.

CAT REGISTERED ON THE REFERENCE REGISTER. No Cat registered on this Register is eligible to be shown and, therefore, these entries will be disqualified. The only exception to this is when a new breed becomes recognised; and then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference registration.

Exhibitors may appeal against any disqualification resulting from the Show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed to keep your show entries trouble-free, not to mention the show checking.

DEFINITION OF CLASSES

BREED CLASS	Open to all untitled cats of the specified breed (must be GCCF registered).
GRAND CLASS	Open to Champion/Premier titled cats
IMPERIAL GRAND CLASS	Open to Grand titled cats
OLYMPIAN CLASS	Open to Imperial titled cats
CATS :	At least 9 months old on Show day.
KITTENS :	At least 14 weeks and under 9 months old on Show day. Neutered Kittens must be entered in kitten Open and Miscellaneous classes, and will be eligible to compete for Best In Show Kitten.
NEUTERS :	Neuters may only enter Neuter Classes and may not compete with entire cats or kittens except in Club Classes which are scheduled to include Neuters. Where Best in Show is held, the best Neuter shall be considered against the best Entire Adult and Kitten for Best Exhibit in Show.
BREEDERS :	Exhibits bred by exhibitors. Cats originally registered in the Breeders' joint ownership but changed to single ownership of one of the Breeders can still be entered in this class. Cats originally registered in the Breeder's single ownership and changed to joint ownership with the Breeder should be entered in the Non-Breeders Class.
DEBUTANTE :	For exhibits that have never been shown at a show held under GCCF Rules. Previous shows as a kitten do not preclude entry in the Debutante Adult class; previous shows as a kitten or adult do not preclude entry in the Debutante Neuter class
ADOLESCENT :	At least 9 months and under 15 months old on Show day.
JUNIOR :	At least 9 months and under 2 years old on Show day.
SENIOR :	At least 2 years old on Show day.

VISITORS :	Exhibitors living outside fifty miles of Show Hall.
ARISTOCRAT :	Cats which have won one or more CCs or PCs but are not full Champions or Premiers. Kittens which have won 1 or 2 Open Classes at a Championship Show.

NOTES : The status of the exhibit for entering restricted classes (i.e. Maiden, Limit, etc.) shall be the cats' status on the day of entry except that, to be eligible for entry into Imperial Grand or Grand Classes, the required status must be attained on or before the closing date for entries as published in this Schedule or any extended closing date published on the GCCF website. Wins as a kitten do not count when the exhibit is shown as an adult or neuter; wins as an adult do not count when the exhibit is neutered and shown. Merit awards do not count as wins for entering restricted classes. Please check your entry form carefully. All spellings, dates, sex, and registration numbers must be correct. You may correct any error in your entry form on the day of the show.

PRE-SHOW PREPARATION

Please make sure that your exhibit is clean and healthy before arriving at the Show. All exhibits must be vaccinated against FIE, FVR & FCV ("cat flu"). The full course, or booster, in accordance with the manufacturer's recommendations, must have been completed more than seven days before the show. The certificate must have been issued by a veterinary practice/hospital and the last vaccination entry signed by a

Veterinary Surgeon or by a listed Veterinary Nurse under the direction of a Veterinary Surgeon. Cats with an invalid vaccination certificate will be rejected under Section A. Cats unaccompanied by a vaccination certificate will also be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination, valid for that show, by sending the certificate to the GCCF Office within seven days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the rejection list until proof of vaccination is received in the Office. N.B. A current certificate of vaccination is one which is not more than seven days past the manufacturer's recommended interval between boosters. "Homeopathic vaccination" is not acceptable. The vaccination certificate must be completed properly with the name and address of the owner and the identity of the cat.

Please check your cats claws and, if necessary, trim them before the Show. If you have to bath your cat please be very careful which shampoo you use. Many shampoos sold for cats contain colouring matter and if you use one of these your cat could be disqualified.

The use of any products, including skullcap or valerian, rescue remedy etc, which change a cat's appearance or physical reaction is forbidden and will lead to disqualification.

ARRIVAL AT THE SHOW

Exhibits will be received at the entrance of the Show Hall from 8.00 am until 9.45 on the morning of the Show. All exhibits must be brought to the Show in suitable secure containers (top-opening preferred) and must be accompanied by their owner or owner's representative who must remain within call throughout the period of the Show except when the hall is cleared for judging.

It is recommended that, where possible, top-opening carriers should be used. If an exhibit cannot be removed from its carrier safely it may not be vetted in or, if relevant, be judged for Best in Show.

Exhibits will only be accepted on condition that the Club shall not be held responsible for any loss or damage to any exhibits, containers or property in any way.

Each exhibit will be examined by the Show's Honorary Veterinary Surgeons who are authorised to exclude any exhibit that they consider unfit for competition or undersized for its age. No exhibit may be penned before being examined. Exhibits must show no signs of ill health, parasites, skin lesions or use of drugs. Coats and ears must be clean. Entire males over nine months of age must have both testicles present in the scrotum. Queens who are pregnant, lactating or who have kitted within the past twelve weeks may not be exhibited. Declawed cats may not be exhibited. If a cat cannot be removed from its container safely it may be rejected.

Unfit exhibits must be removed by owners and entry fees forfeited. Owners of rejected exhibits, together with their other exhibits, may also be debarred from entering the Show Hall. THE VETERINARY SURGEON'S DECISION IS FINAL. When an exhibit has been rejected or withdrawn from the Show by a Veterinary Surgeon the procedure to be adopted is clearly stated in the GCCF Rules.

If your cat is rejected from a show please note the following points:

1. When sending your clearance certificate to the GCCF Office please include your copy of the rejection form.
2. Please do not send these certificates by recorded delivery post as this can cause considerable delay. If you wish to be sure they have arrived enclose a stamped addressed postcard which can be signed and returned to you.
3. Exhibitors should not attend shows until they have received a letter from the Office accepting and confirming clearance. Take this letter with you to any shows you attend within one month of its issue.

PRESENTATION

Take pride in presenting your exhibit. Be sure that it is comfortable, warm and relaxed. You must provide each exhibit with a white litter tray (with litter) and a white water bowl and both must stay in the pen all day. Food may be given (in white bowls) but must be removed before judging starts at 10.00 am and not replaced before 12.30 pm. One SMALL toy may be placed in the pen at this time. Each exhibit must have a clean plain

white or near-white blanket or blankets without distinctive marking or edging, which may be arranged in such a manner to assist the comfort of the cat. Cellular blankets are not allowed but white Vet-bed or like material may be used if preferred. A hot water bottle or heat reflecting material or a cool pack may be used, but must be concealed by the blanket.

No written or printed matter of any kind other than official notices and awards may be put on to competitive pens. None of the equipment in the pen may bear any distinguishing marks. Judges are instructed to pass any pen that is distinguished in any manner.

Exhibition pens may be decorated in any manner, but please make sure that there is ample room for your cat to be comfortable. Details of exhibits for exhibition only must be entered on the official entry form.

JUDGES AND JUDGING

Judging will commence at 10.00 am and exhibitors will be requested to clear the hall at this time until 12.30 pm, whilst the Open Classes are being judged.

Judges are empowered to withhold any prize, award or certificate in any class if the exhibits do not, in their opinion, possess sufficient merit. Prizes will be awarded from the Judge's slip not from any catalogue or prize card, A Judge's decision is final. You may not approach a Judge, or enter into conversation with a Judge, until that judge's engagement is completed.

COUNTERSIGNATURES

In the event of a change of Judge of an Open or Assessment class occurring after the closing date of the Show, provided that the exhibitor informs the Show Manager before judging starts that a Certificate has already been awarded by the replacement judge, the Show Manager shall appoint one other judge who, if the cat is awarded the Certificate shall judge the cat and, if it is considered worthy, countersign the Certificate which shall then count towards Championship status or "qualification" of Preliminary status breeds.

If the replacement judge at the first show has also been previously booked for a subsequent show, the closing date of which is before the date of the first show, then at the subsequent show this judge can be considered a replacement judge for the purpose of requesting a countersignature.

PLEASE NOTE

No one may remove any exhibit from its pen except the owner, owner's agent or Show Official. Any other person in any way interfering with or removing any exhibit from its pen during the show, except with the consent of the Show Manager, will be reported to the GCCF and will forfeit any awards that may be due to their exhibit. Exhibitors are forbidden to carry their exhibits around the Show Hall, and they must not be held in such a way as to annoy other exhibits.

Exhibits received into the Show Hall cannot be removed without the sanction of the Show Manager.

Photos of the exhibits may only be taken after permission has been obtained from the Show Manager and the exhibits' owners.

The Show closes at 5.00pm and no exhibit may be removed from its pen before this time. Failure to observe this rule will result in disqualification and forfeiture of any awards. No aerosol sprays are to be used in the Show Hall.

Catalogue vouchers and exhibitors' passes will be handed to you at vetting-in. There will not be any tallies at this show so please check your pen number carefully and make sure you pen your cat correctly.

Show equipment, litter, accessories etc, will be on sale in the Show Hall.
